

Advanced Nursing Programme Thursday 27th October

The Australian and New Zealand Children's Oncology Group (ANZCHOG) is committed to advancing practice in the specialty of Paediatric Haematology and Oncology Nursing. This one day programme is designed for nurses who have experience in Children's Oncology and Haematology and would like to focus on advanced clinical practice within the specialty.

The purpose of programme is to:

- Establish a vision for the future of Paediatric Oncology Nursing and advanced practice roles
- Promote understanding of new treatment modalities and indications for treatment
- Focus on skill development of the advanced nurse in a Paediatric Haematology Oncology practice setting
- Promote networking within the international setting

A number of nursing experts will facilitate sessions throughout the programme. Attendees will also be provided with the speakers notes where applicable.

Enrolment:

All nurses wishing to enrol in the Advanced Nursing Programme must have a full registration for SIO. While there is no additional cost for the day, places are limited. To register to attend the day please email siop2011@tcc.co.nz and state that it is the advanced nursing day you wish to attend.

ANZCHOG Nurses Open Meeting and AGM

The ANZCHOG Nurses Open Meeting will be held at 1600 in the Nurses Meeting Room; this will be followed by the ANZCHOG AGM at 1700 to 1745 and the SIO Opening Ceremony at 1800.
